Welcome to our *Lynx* Newsletter!

## Lynx goes large!

Since we began we aimed to cover the whole county with our outstanding value services. By the end of 2008 we succeeded, teaching pupils from Porlock (West Somerset) through to Yeovil, Street and even Cheddar! We now proudly have the largest coverage area in Somerset; more than Britain's largest driving schools! We now aim to take this coverage beyond the county borders into our neighbours Devon and Cornwall.

## Pupil passes.

Well done to Tom Watson who passed his test in Taunton. Best of luck and safe driving!

## Plans for Lynx Coventry.

It has been in the pipeline for some time, but our project for our sister company (Lynx Coventry) to launch a city wide division in the city is very close to its launch. Steven Masters (director of Lynx Somerset) says "it's most pleasing to see lynx finally launch in the city of where my career in driving tuition began". Andrew Masters (Director of Lynx Coventry) will continue his efforts for a successful launch for the company. We'll be talking to him with more details soon.
